STGMA ARTISTS CONCERT CALENDAR SERVICE

By La Vada Triesch & Gerald Lyda

SAN ANTONIO--Providing STGMA members & the public with concert information is one of the many member services which STGMA has provided for many years. We will soon change the way in which concert news is gathered. The new process requires that STGMA members enter information about their concert event into the STGMA website concert database. This new approach will provide greater accuracy in the reporting of concert information and will allow STGMA to develop other new and improved services to you. Only those events which are entered into the STGMA database will be included in the STGMA newsletter. The process is not complicated. Here's all you need to do.

HOW TO ENTER CONCERTS ON THE **STGMA ARTISTS CONCERT CALENDAR**:

1. You must first register and set-up a "Username" and "Password" that will allow you to access to the "STGMA Artists Concert Calendar" located on STGMA home page.
2. Log on to <http://www.stgma.org> and click on "ARTISTS" button located on the blue bar immediately below the STGMA logo at the top of the page. .
3. Once you open the "ARTISTS" page, scroll down the blue sidebar on the left side of the page to the "Register" link and click on the link. The link is located immediately below the small white "Login" button.
4. The "Registration" window will appear. Then, fill-in the following information: (1) Name (2) Email (3) UserName (4) Password (5) Verify Password (6) Member Type (7) Member Since and (8) Anti-Spam task. Then click the "Register" button immediately below the task box.
5. You will receive an confirmation e-mail containing a link that must be clicked to finalize the registration process. When the process is complete, simply return to the "ARTISTS" page & enter your new "Username" and "Password" and click "Login" link.
6. A new window will open and on the right side-bar you will see a link called "Submit Event" – Click on the link and a window will open and you can immediately begin entering information about each of your concert events. Save each event and they will then appear on the STGMA Website home page. Be sure to "Log Out" when you finish the entry process.

STGMA GOSPEL NOTES--the STGMA newsletter--goes Bi-Monthly in August

By LaVada Triesch & Gerald Lyda

On August 1, the first bi-monthly edition will be published & distributed. The August 1 edition will contain concert information for the months of August & September--as will each successive issues. The deadline for getting your concert dates into the STGMA database for the August-September newsletter is July 15. All concert information must be entered into the system by the 15th of the month preceding the newsletter issue date.

STGMA Hospitality Roster

STGMA Board of Directors and Officers have come up with an idea to share your home with artists coming from out of town to the San Antonio area for concerts and events. We want to implement a "HOSPITALITY ROSTER". Your name, address and phone number or Email address would be made available to the artists on a special page on the STGMA website. The artists will be given the opportunity to contact you to stay the night or maybe two. Sue and I are on the "HOSPITALITY ROSTER" for another organization and have really been blessed by sharing our home with MISSIONARIES from around the world. We recently had a group stay with us during the STGMA convention. What a fun time getting to know the artists on a more intimate level. Another soloist is scheduled to stay with us in September.

This is a volunteer "Ministry" opportunity, so give me a call or send me an Email and I'll explain in more detail.

Look below at the information request form. It's in WORD and PDF. Just fill it out and send it back to STGMA and we'll put you on the list.

Love y'all,
 STGMA Leadership Team
