**FROM THE DESK OF** *gerald lyda*

I conducted a recent survey of STGMA members and found that over 75% of STGMA artists & groups are using both a website and Facebook to promote their music ministries. Additionally, many churches are also using Facebook in tandem with their websites. Social media, like Facebook, offer a new means by which you can interact with the churches and gospel music fans that support Christian ministries.

As part of the *Hearts of Grace* ministry, **Floyd & Christine Scott** have created affordable web & design services to assist Christian organizations, as well as other gospel music artists. Along with their own website, they have designed websites for **BAGMA, STGMA, Who's Who in Gospel Music, Praise Inc., The Harris Family, Naomi & the Segos, Appointed by Grace, The Jenkins Sisters & Aver Harreld**. The new STGMA website will launch later this month after STGMA tech guy **Jason Gassner** provides some last-minute tweeking.

If you are planning to update your website or build a brand-new website, I recommend using the professional services of **Floyd & Christine Scott**. They can be reached at (979) 798-5024 or (979) 824-3040. Visit their website: [www.graphics2go.net](http://www.graphics2go.net) or e-mail them at [graphics2go@hotmail.com](mailto:graphics2go@hotmail.com). Ask them also about how Facebook can be integrated into your website & become a part of your ministry's outreach program. Christine & Floyd are tech-savvy Christians who walk with the Lord and can provide the assistance that will enhance your online image & outreach.

## MY PERSONAL TESTIMONY

**A MESSAGE TO MY  
FELLOW STGMA MEMBERS**

**JUAN TORRES**

**PRECIOUS MEMORIES  
GOSPEL MINISTRIES  
SAN ANTONIO, TEXAS**

**(210) 675-8352**

**Our Lord & Savior** has blessed and guided me in this ministry, as an Evangelist of His word, through song and outreach ministries to others in need. I travel locally and here in town--where I'm an Associate Member of ten churches--I sing and give my testimony assisting with full scale ministires and revival. The Lord has blessed me and guided me for the past 25 years in His service--while here in His Kingdom; to God be all the glory. It has been a blessing to be a member of **STGMA** and all that is done for his honor and glory. The Lord has brought me back to His service after being out for eight months due to major surgeries & chemo treatments. I'm happy to say that the Lord has healed me and has stopped the cancer. I am cured as I write and give this testimony to **STGMA** members. The reality that we serve a powerful, personal God; is ever present in our lives. I can say that about our Lord and that reality is awakened in our hearts. We can't even fathom His grace and mercy. Praise the Lord always. Glory to God.
